## COMPANY PROFILE

- Shri Prithiyangira was founded in the year 2003 to take up projects on contract basis from inception till handover. After gaining confidence from the customers it also expanded its wings towards its promotional activities on joint venture basis. The company is run by a team of professionals under the dynamic vision of Mr. S. Shivaraaman a First Generation Entrepreneur to address the needs of customers across all realty and construction verticals.
- We use innovative architectural solution to give our projects the cutting edge.
- We believe to offer excellence in construction with quality and reliability.
- We acquired excellent reputation in the industry through our commitment on quality and timely completion.

## MISSION AND VISION

### *Mission*

At SHRI PRITHIYANGIRA we believe in quality construction, honouring commitments based on our conviction. The primary goal of SHRI PRITHIYANGIRA is value for your investments. To us the most important are our investors, employees working with us, customers purchasing our property, clients rendering our services and the vendors who are supplying their valuable products.

### *Vision*

#### **TURNING SPACES INTO HEAVENS**

When dream converted into reality, we translate to practicality. We are very much consciousness that each project we deliver has a moral value on the investment. Ours is a never ending journey of innovation and creation. We turn spaces into heavens constructed on bricks with holy pride.

## OUR MAJOR ACTIVITIES

- We Develop and Promote the Properties as Apartments, Individual Villas and Townships assuring reasonable profit oriented returns on Joint Venture of your properties.
- We Construct as per Indian Standards - Hi-Profile Residential Bungalows, Multi Storied Buildings and Commercial Complexes on Turnkey Contract/Contract Basis from inception till handover by adopting professional Vasthu Principles for individuals, architectural firms and leading builders.
- We also do First Quality Interior Decoration for Hi-Profile Bungalows and Commercial spaces.
